

Pre-Conditions Checklist

- **Land use or environmental conditions**
- **Economic conditions or resources**
- **Regulatory conditions**
- **Governance arrangements**
- **Cultures, norms or behaviours**
- **Physical conditions, assets or resources**

In stage 2: Use the checklist as a prompt to build on the concept in your group's vision.

In stage 3: What factors, resources or conditions would be required to achieve your group's future vision?

If it helps, use the checklist as broad categories to explore more specific 'enabling' factors.
